Regulations:

A)

Contestants must wear athlete bib on the chest with a pin as a sensor has been inserted into the athlete bib. The sensor must pass through the arch door in order to calculate grades.

Athlete bib does not require to be returned at the finish line. For those who violate the abovementioned regulations, their grades cannot not be calculated.

A point is the starting line as well as the finishing line.

B point are the turning points for 3km.

Cpoint near the gate are the turning points for both 5 KM and 10 KM.

3 KM group **A-B-A**

5 KM group **A-C-A**

10 KM group **A-C-A-C-A**

B)

Contestants who finish running may go to competition & prize group to collect your contestant's **completion medal** and **food box**. The top six in each group will receive prizes and coupons on stage. For environmental protection consideration, this year no paper completion certificate will be provided. Contestants may visit registration website and print the certificate by yourself if needed.

C)

This year we provide Eco-friendly water cups for contestants instead of paper cups.

Prizes :

1)

The top six in 5KM and 10 KM groups will receive coupons for (NTD1000/800/600/500/400/300). Please do collect it at prize group desk before 10 a.m. If not, it will be regarded as giving up and the coupons will be used for other purpose.

2)

Medals will be given to the top 3 in the 3KM/5KM/10KM groups.

3)

Completion medals will be given to the contestants.

4)

Once contestants finish running, may go to prize group to collect food boxes.

Notes :

(1) Contestants must go to hospital for a health check before the competition in order to understand health conditions.

Please do not join the competition if you are suffering from any heart diseases, diabetes, asthma or unwell for strenuous exercise.

(2) Contestants should practice long-distance jogging first, and take full responsibility for your wellness in order to participate in the competition.

(3) Contestants must go to Registration to collect athlete bibs and commemorative shirts within the registration time.

(4) All contestants are required to wear rubber-soled/ EVA sole unit running shoes, and pin the athlete bibs on the chests. Sensors have been inserted into the bibs, and the bibs do not need to be returned at the finish

line. For those who violate the abovementioned regulations, their grades will not be calculated.

(5) The race is divided into three sections, first is 10 kilometers, second 5 kilometers, and third 3 kilometers with supervisor and leisure group.

(6) Contestants are not allowed to take any means of transportation or take shortcuts during the competition. Any such behavior will be disqualified.

(7) The competition will still be held if it is raining.

(8) Contestants must wear commemorative shirts during road running event.

(9) Thank **TXC Corporation** for donating sports uniforms and competition prize money.

All epidemic prevention measures shall be carried out in accordance with the announcements of the Ministry of Health and Welfare."
